[Personal Website](#)
[Google Scholar Profile](#)
[Up-To-Date CV](#)

Born: August 25, 1994—Princeton, New Jersey, U.S.A.
Citizenship: United States of America

Education

2017-2019 **School of Public Health, University College Cork** Cork, Ireland

Master of Public Health with a Concentration in Advanced Epidemiology
Honors: [George J. Mitchell Scholarship](#), First Class Honours, MPH Class Representative
Marks: First Class Honours in Every Module (*Rank: 1/63 Overall, 1/63 Dissertation*)

2013-2017 **The Wharton School, University of Pennsylvania** Philadelphia, PA

Bachelor of Science in Economics with a Minor in Mathematics
Honors: Phi Beta Kappa, Beta Gamma Sigma, summa cum laude
Undergraduate GPA: 3.98 / 4.00¹

Relevant Coursework: Single-Variable (A+) & Multi-Variable Calculus (A+), Linear Algebra & Differential Equations (A), Graduate-Level Abstract Algebra I (A) & II (A), Social Science Statistics (A+), Data Analysis & Statistical Computing (A), Partial Differential Equations (A), Mathematical Probability (A), Intermediate Micro (A) & Macro (A) Economics, Advanced Biostatistics (1st), Survival Analysis (1st), [Linear Algebra & Real Analysis](#) (A, 100.6% overall, ranked #7 of 195 students)

Aug. 2018 **GRE Score:** 169/170 Verbal, 170/170 Quantitative, 6.0/6.0 Writing

Research areas

Health economics | Behavioral public health | Substance use disorders & addiction

Software proficiency

R (preferred); Stata; Python; \LaTeX ; SAS; SPSS; Git; Microsoft Office

¹Includes 11 A+'s

The Huffington Post (blogger), *The Daily Pennsylvanian* (bi-weekly columnist), *The Partnership for Drug Free Kids*, *Above the Influence*, *Wharton Magazine*, *Penn Political Review*

PUBLISHED POETRY & CREATIVE WRITING

- “My Grandmother.” [Poetry]. Grief Journal at Columbia University.
- “OCD.” [Poetry]. London Journal of Fiction.
- “Stocking Shelves.” [Prose]. The Gleaner at Delaware Valley University.

Honors & awards

- 2019 [Marshall Scholarship](#)
- 2019 [Clarendon Scholarship](#) (full scholarship doctorate at Oxford)
- 2018 UCC Annual Cameron Lecture for MPH Student with Highest Overall Marks
- 2017 [Mitchell Scholarship](#)
- 2017 Phi Beta Kappa, University of Pennsylvania
- 2016 Beta Gamma Sigma, The Wharton School
- 2015 Penn Leonard Davis Institute of Health Economics Undergraduate Research Prize
- 2015 College Alumni Society Research Grant
- 2014, 2017 Summer Program for Undergraduate Research
- 2013 Benjamin Franklin Scholars Program
- 2013 Joseph Wharton Scholars Program
- 2013 [Bucks County 40 Under 40](#) (youngest recipient)
- 2013 Princeton University Prize for Race Relations
- 2013 Council of Southeastern Pennsylvania Prevention Advocate Award
- 2012 Boy Scouts of America: Eagle Scout, Bucks County Youth of the Year

Teaching experience

- F 2014 **FNCE 711 (Wharton MBA Course): Financial Derivatives**
Teaching assistant under Prof. Michael Gibbons, Deputy Dean of the Wharton School
- S 2015 **STAT 102: Second-Semester Business Statistics**
Teaching assistant under Prof. Nancy Zhang, Associate Professor of Statistics
- F 2015 **MATH 104: Single Variable Calculus**
Teaching assistant under Prof. Dennis DeTurck, Dean of the College of Arts & Science
- F 2015 **FNCE 101 Honors: Global Macroeconomics and the Monetary Economy**
Teaching assistant under Prof. Jeremy J. Siegel, Russel E. Palmer Professor of Finance
- 2012, 2014 **English as a Second Language: Beginner and Intermediate Levels**
Instructor at Nationalities Services Center, Philadelphia, PA

Research experience

- 2018- **Harvard Economics / National Bureau of Economic Research (NBER)**
Full-Time Research Assistant Under Prof. Amanda Pallais Cambridge, MA
- Use Stata to perform statistical analyses for research in to labor economics
 - Provide regular reports visualizing data in tables and figures
 - Assist with exploring directions for budding new projects
 - Conduct literature reviews and assist with processing manuscripts for publication.
- 2017- **Health Equity Research Lab, Cambridge Health Alliance and Harvard Medical School**
Research Consultant Cambridge, MA
- Contribute literature reviews and analytical work to research projects related to disparities in mental health healthcare
 - Co-author paper regarding the medium-term impact of the Affordable Care Act on mental health treatment access and utilization
- 2017- **Center for Data-Driven Population Medicine, UCSD School of Medicine**
Research Consultant San Diego, CA
- Perform data cleaning and management and conduct statistical analysis of large datasets using Python, STATA, and R
 - Lead research projects using innovative techniques applied to novel data, such as internet search queries, Twitter posts, and news media content
 - Published first-author papers in major medical journals, with major findings publicized in CNN, the Daily Mail, and NPR

2017- **CHIBE⁴, University of Pennsylvania**
Research Assistant Philadelphia, PA

- Perform statistical computing for behavioral economics studying regarding health behaviors, i.e., exercise, smoking cessation
- Create analytical reports presenting statistical analyses from Randomized Controlled Trials relating motivation to health improvements

2015- **Drug Policy Institute, University of Florida College of Medicine**
Policy Fellow Gainesville, FL

- Only undergraduate ever appointed to this position
- Led team of researchers from Harvard, Dartmouth, U. Kansas, U. Florida, and U. Texas to author paper on the ramifications of the legalization of marijuana
- Contribute statistical and qualitative analysis to several research commentaries and educational presentations

2017 **Department of Computer Science, Johns Hopkins University**
Research Assistant Under Prof. Mark Dredze Baltimore, MD

- Learn and use Python-based application programming interfaces, Wavelet theory, simulation-based statistical methods for use in social media analytics and public health informatics research
- Initiated projects, created and led interinstitutional research teams to investigate sexual minority health risks (suicide & drug use), emerging trends in substance use, and tobacco innovations; led to five first-author papers
- Used novel and traditional data; applied methodologies from economics, computer science, and political science

2012-2017 **Center for Policy Analysis, Treatment Research Institute**
Research Assistant Philadelphia, PA

- Authored paper on the connection between substance abuse prevention and leadership education
- Performed research and authored policy briefs regarding the Affordable Care Act and the Mental Health Parity and Addiction Equity Acts
- Currently working on a project regarding brief interventions in school-based health centers in New York

2017-2018 **Department of Economics, University of Pennsylvania**
Research Assistant Under Prof. Francis X. Diebold Philadelphia, PA

- Use econometric and statistical computing software (i.e., R, Stata, EViews, Julia) to assist with the development of course materials for ECON 104 Econometrics

⁴Center for Health Incentives and Behavioral Economics

- 2016 **Executive Office of the President, The White House**
Research Assistant Washington, D.C.
- Provide statistical and qualitative analysis on federal addiction policy related to medication assisted treatment and emergency room to treatment pathways
 - Coordinated official White House symposium on addiction medicine with 85 participants including university presidents, medical school deans, representatives from accreditation organizations, and medical board members
- 2016 **CHERISH⁵ Research Grant, Penn Leonard Davis Institute for Health Economics**
Research Assistant Philadelphia, PA
- Conduct research on needs assessments, research translation, and evidence-based practice dissemination
 - Monitor research trends in the substance abuse, HIV, and Hepatitis C fields and prepare weekly reports for LDI Faculty
- 2015-2016 **Department of Marketing, The Wharton School**
Research Assistant Under Prof. Tom Robertson Philadelphia, PA
- Conduct literature reviews on corporate signaling and strategy
 - Prepare materials for MKTG 277 Marketing Strategy class, taught by Prof. Robertson
 - Wrote in-depth case reports on companies such as Tesla Motors, Emirates Air
- 2014 **Research and Scholars Program, The Wharton School**
Summer Program for Undergraduate Research Grant Recipient Philadelphia, PA
- Studied the Drug Abuse Resistance Education (D.A.R.E.) Keepin' it REAL (KiR) program
 - Co-authored paper with Dr. A. Thomas McLellan, CEO of Treatment Research Institute and former Deputy Director of the White House's Office of National Drug Control Policy
- 2014 **Department of Operations, Information, and Decisions, The Wharton School**
Research Assistant Under Prof. Katherine Milkman Philadelphia, PA
- Independent study course with focus on health economics
 - Investigated how behavioral "nudges" can influence health behaviors such as smoking cessation

⁵Center for Health Economics Treatment Interventions for Substance Use Disorder, HCV, and HIV

Community leadership

- 2014-2017 **Penn Leadership Training Institute**
President and Founder , Philadelphia, PA
- Federally-registered 501(c)(3) non-profit organization that provides leadership education courses serving 13 Philadelphia middle and high schools
 - Recruit and train over 100 volunteers from PLTI chapters at four Philadelphia colleges (U. Penn, Temple, U. Sciences, and Community College of Philadelphia)
- 2014-2017 **Penn Drug and Alcohol Peer Advisors (PennDAPA)**
President and Founder Philadelphia, PA
- Only student group focusing on reducing the harm associated with drugs and alcohol on campus
 - Grew membership from single-digits to 50+
 - Developed strategic plan, recruited comprehensive leadership team, began partnerships with campus organizations (e.g. Counseling and Psychological Services, Student Health Services, Alcohol and Other Drug Initiatives, Office of Student Affairs)
- 2011-2017 **Bucks County Drug and Alcohol Commission, Inc.**
Board Member Bucks County, PA
- Board allocates millions of state, federal, and county dollars to drug and alcohol prevention, intervention, and treatment providers across the county, serving mostly lower-income residents who lack health insurance coverage for substance use disorders
 - Leadership Positions: Board Vice Chair (2013-2015), Board Treasurer (2012-2013), Strategic Planning Chair (2014), Program Services Chair (2015), Strategic Prevention Team Lead (2014-)
- 2015-2016 **Office of U.S. Senator Patrick Toomey**
Intern Philadelphia, PA
- Recruited to perform research on substance abuse policy issues for the Senator
 - Address constituent concerns, respond to calls, stay current on the Senator's legislative positions
- 2014-2016 **Penn Task Force on Alcohol and Other Drugs**
Chair Philadelphia, PA
- Appointed by Penn's student government to serve on task force, further appointed to serve as Task Force Chair

Board memberships & affiliations

- 2018- **American Society for Addiction Medicine**, Student Member
- 2015- **Drug Free America Foundation**, National Advisory Board Member
- 2016-2017 **Pennsylvania Commonwealth Prevention Alliance**, Board Member
- 2015-2017 **Netter Center for Community Partnerships**, Student Advisory Board Member
- 2015-2017 **Jed-Penn Mental Health Advisory Committee**, Board Member
- 2012-2017 **Treatment Research Institute**, Institutional Review Board Member
